THOUGHTS

HOLBROOK JUNIOR SENIOR HIGH SCHOOL

245 SOUTH FRANKLIN STREET

HOLBROOK, MASSACHUSETTS 02343

VOLUME LXX

Thoughts from the Principal

I would like to take this opportunity to congratulate you, the members of the Class of 1994, for having distinguished yourselves as true leaders of the school through your academic, co-curricular and athletic successes, and your participation in state and community activities. You came to us as children and, with the direction and nurturing of the faculty and administration, leave us as positive and confident young adults. You now face an uncertain world, but we know you are equal to that challenge. In life man always manages to find his place, his successes, his happiness. As you leave us and go out to face that great adventure of life, always remain concerned, caring and loving; for the world needs more good people of which the Class of 1994 has an abundant supply. Share this enthusiasm for life! Make it contagious!

Random Thoughts

Even in our own world sometimes we are aliens.

I've learned that if you laugh and drink tonic at the same time, it will come out of your nose.

Grape juice really stains the rug.

I've learned that a good feeling gets even better when it is shared.

A smile is the universal language of kindness.

Be kind to your enemies because it confuses them.

Live long and prosper.

The closer school gets to ending, the longer it takes.

Always eat Toll House cookies warm ... with coffee.

Dedication

Every time a man smiles, and much more when he laughs, it adds something to his fragment of life and the lives of those who surround him.

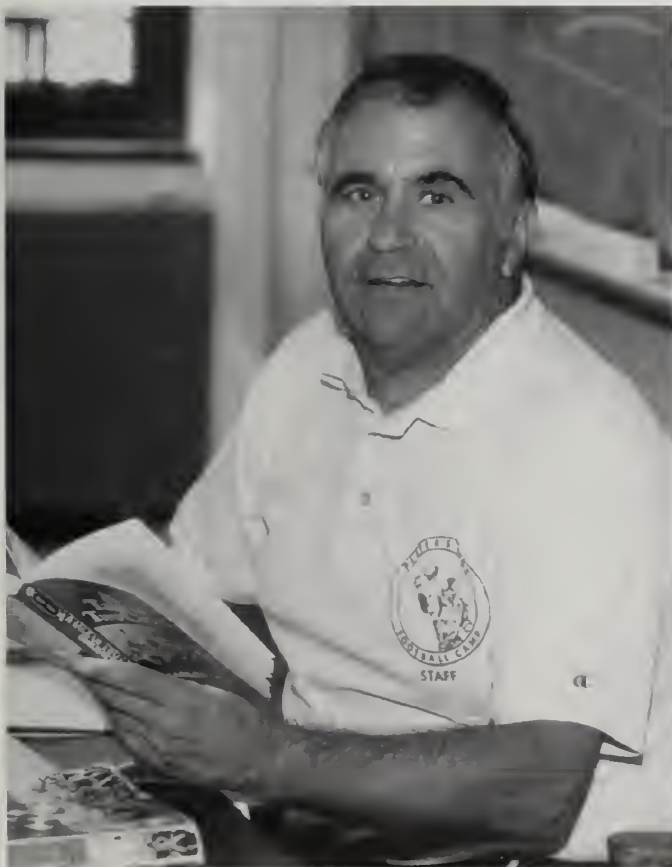

It is impossible to sum up in a few words the career of thirty-two years or to express the appreciation that we, as a school, owe to Mr. William Leanues—scholar, coach, administrator, colleague, educator, humorist, raconteur, and friend.

Many of us will remember his smile and his laugh. Others will remember his shouts on the playing field as he coached his team to state finals. And still others of us will remember his humorous observations and erudite investigations in the classroom.

His value and worth has been recognized by the Massachusetts Baseball Coaches' Association, which elected Mr. Leanues to the Coaches' Hall of Fame, and the Town of Holbrook, which elected him to the Holbrook Hall of Fame; so it is fitting that we too should acknowledge and express the gratitude of literally generations of Holbrook students to a man who has dedicated and committed thirty-two years of his life to instill in the students of Holbrook an awareness of what yesterday was, a knowledge of what today is and a dream of what tomorrow can be.

The town of Holbrook has benefitted from this man's experience, and the students of Holbrook, past and present, are better human beings for having known and learned from Mr. Leanues, an opportunity that future generations of students lost when he retired last year.

We, the Class of 1994 and the *Echo* staff, as representatives for all those students and athletes who have had the good fortune of knowing this man, fondly and with special memories give our thanks, love and best wishes, and proudly dedicate the 1994 *Echo* to a special friend, Mr. William Leanues.

Thank You

The Class of 1994 wishes to express its thanks and appreciation to two very special people.

Ms. Parisi, you have been with us from the beginning, guiding us through banner contests, fundraisers and the Junior Prom when it was all new to us. We thank you for your hard work, dedication, and tolerance.

Ms. Beaudoin, you have helped to see us through the last stretch of our high school journey. You have been a good friend and advisor. We thank you for being there for us during our most important year.

With Appreciation
The Class of 1994

Seniors

Seniors

The Class of 1994 has had a very successful year. During football season, the seniors ran the concession stand. When Homecoming rolled around, the seniors pulled together to tie with the Junior Class in the Banner contest. At Christmastime, the Seniors hosted the Holiday Dance.

As the year comes to a close, the seniors anticipate the class trip to Mt. Washington, the Senior Reception to be held at the Hyatt Regency, and finally, graduation. This year the Seniors have become closer than ever. As we prepare for graduation, college, or whatever the future holds, we will always remember our Senior Year at Holbrook Jr/Sr High School.

Underclassmen

Junior Class

The Junior Class, co-winner of this year's banner contest, had an exciting year. With Miss Leventhal as class advisor, the juniors were busy organizing fund raisers, class events, and preparing for the Junior Prom which will probably become one of the class's fondest memories of this year's events.

Sophomore Class

Valentine Day fundraisers, the second year of its annual car wash for the Jennifer Ryan Scholarship Fund, and class rings kept the class of 1996, as well as advisor, Mr. Perrone, busy. Other plans include sponsorship of Junior High dances and involvement in spirit events. Through teamwork and cooperative effort the class accomplished a great deal.

THOUGHTS

about

Athletics

Football

Despite difficulties and injuries from the beginning of the season, the Holbrook Bulldogs proved to be season, the Holbrook Bulldogs proved to be tenacious and committed to the adage of "try and try again". Their double win over Cape Cod Tech gave hope for things to come, which unfortunately never materialized. While it is easy to support winning team, there were many fans who remained loyal to this year's team for its effort and "bulldoggishness."

Pride in the special person you are today
Bright dreams for all your tomorrows
I love you Kyle!*

*Matthew,
As you gallop boldly into the future, we

*Love,
Mom and Dad*

We are the music makers,
We are the dreamers of dreams,
Wandering by lone seabreakers,
And sitting by desolate streams; —
World-losers and world-forsakers,
On whom the pale moon gleams:
Yet, we are the movers and shakers
Of the world forever, it seems.

— Arthur O'Shaughnessy

**Music makers are

Good Luck!**

*You're so very special,
So thoughtful and kind.
Our family's so lucky,
For no one could find
A daughter more precious
than you.
Because you deserve life's
Brightest and best,
We wish you contentment
and true happiness.
Love, Mom and Dad*

*My lovely daughter
my shining star
time has gone by so fast
and here we are.
You have made me so proud
as you blossomed and grew
I love you my baby
my daughter
yes you.*

*"Be bold and courageous,
When you look back
on your life, you'll
regret the things you
didn't do more than
the ones you did."*

*"Become the most positive and
enthusiastic person you know."*

*K.M.,
With pride for all you've been,
With joy for all you are,
With hope for all you'll be,
And with LOVE for always.*

*Love,
Mom and
Dad*
